

COMPUTER PROBLEMS?

**You're going to need more than
just a 'geek' to help you.**

**I'm here to help with any and all of your technology-
related problems in a professional and friendly
manner. For more information, call (203) 716-1524,
or go online at www.alecmolloy.com**

I am an experienced and respected concierge technical consultant who has worked in the area for the last five years.
References are readily available, and more information concerning my services can be found on my website.
